Management's Responsibility for the Financial Statements

Management of the Prince of Wales Scholarship fund is responsible for the accompanying financial statements. The Prince of Wales Scholarship Fund maintains a system of accounting and administrative controls to ensure that accurate and reliable financial statements are prepared and to obtain reasonable assurance that transactions are authorized, assets are safeguarded, and financial records are maintained.

Management of the Prince of Wales Scholarship Fund prepares these statements in accordance with Canadian public sector accounting standards, as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants (CPA) Canada.

The Provincial Auditor expresses an independent opinion on these statements. Their report provides the scope of their audit and states their opinion.

Enclosed are the financial statements of the Prince of Wales Scholarship Fund for the year ended March 31, 2015, and the Provincial Auditor's report on these financial statements.

On behalf of the Prince of Wales Scholarship Fund

Julie MacRae
Deputy Minister of Education

INDEPENDENT AUDITOR'S REPORT

To: The Members of the Legislative Assembly of Saskatchewan

I have audited the accompanying financial statements of the Prince of Wales Scholarship Fund, which comprise the statement of financial position as at March 31, 2015, and the statement of operations and changes in net financial assets for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards for Treasury Board's approval, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Prince of Wales Scholarship Fund as at March 31, 2015 and the results of its operations and changes in net financial assets for the year then ended in accordance with Canadian public sector accounting standards.

Judy Ferguson, FCPA, FCA
Provincial Auditor

Prince of Wales Scholarship Fund
Notes to Financial Statements
March 31, 2015

1. Overview of the Fund

The Prince of Wales Scholarship Fund (Fund) operates under the authority of section 4.1 of *The Education Act, 1995*. The Fund was established on January 1, 2003 for the purpose of assisting students in Community Schools to complete their secondary education. The Ministry of Education (Ministry) administers the Fund. Donations received by the Fund qualify for a receipt for income tax purposes. The Minister of Education may award 20 scholarships of \$500 each to students through the Fund.

2. Significant Accounting Policies

These financial statements are prepared in accordance with Canadian public sector accounting standards, as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants (CPA) Canada. Revenue is recognized when the Ministry processes a grant from the General Revenue Fund to the Fund. There are no stipulations on the grant. All eligibility criteria have been met prior to the Ministry authorizing payment of the grant from the General Revenue Fund to the Fund. The Fund pays scholarships to students during the year and there are no payables at year end.

3. Due from the General Revenue Fund

The monies of the Fund are deposited in the General Revenue Fund. The Fund's interest is calculated and paid from the General Revenue Fund on a quarterly basis using the Government's thirty-day borrowing rate and the Fund's average daily account balance. The Government's average thirty-day borrowing rate for the year ended March 31, 2015 is 0.92% (2014 – 1.02%).

4. Financial Instruments

The Fund's financial instruments include due from General Revenue Fund. Due to the immediate or short-term nature, the fair value of this financial instrument approximates its carrying value. Given the financial instrument is from the Government credit risk is very low. Liquidity risk is also low, as the Ministry makes a grant to the Fund from which scholarships are awarded.

5. Related Party Transactions

The Fund has not been charged with any administrative costs and no provision for such costs is reflected in these statements. These costs are borne by the Ministry. Any other related party transactions are disclosed separately in these financial statements.

6. Cash Flow Statement

A cash flow statement has not been presented since the information is readily apparent from the other financial statements.
