Crown Investments Corporation of Saskatchewan and Crown Subsidiaries
Introduction to the 2022-23 Payee Disclosure Report

The report discloses only amounts paid during the fiscal year. Amounts earned or owing for the year but paid in a different fiscal year are not included (for example, contracts and services from suppliers where work has begun in the current fiscal year but is paid for in the following fiscal year, or salary holdbacks and certain benefits that are earned in one fiscal year but paid to the employee in the next). **Due to this timing issue, and the variety of payments included in the report, caution should be exercised when making year-over-year comparisons.**

3. Disclosure is prohibited by law, including the provisions of The Freedom of Information and Protection of Privacy Act.

2. Disclosure could reasonably be expected to prejudice the competitive position of, or interfere with, the contractual obligations of the Crown corporation or a third party; and,
3. Disclosure is prohibited by law, including the provisions of The Freedom of Information and Protection of Privacy Act.
