COVID-19
DOES YOUR CHILD HAVE SYMPTOMS?

CHECK YOUR CHILD’S SYMPTOMS

... Visit the Government of Saskatchewan COVID-19 website (Saskatchewan.ca/COVID19) and search for the Self-Assessment Tool, or scan the code to go directly to the page.

KEEP YOUR CHILD AT HOME (ISOLATE)

... If your child has COVID-19 symptoms, keep them at home.
... Do not have visitors to your home.

CALL HEALTHLINE (811)

... HealthLine will ask you questions and tell you if your child needs a test. 811 will send a referral for testing.
... You can also get a referral from your family doctor or nurse practitioner.
... If you need immediate medical attention, call 911 and tell them your child’s symptoms.

THINGS TO DO TO STAY SAFE

... Wash your hands.
... Keep a safe distance from other people.
... Cover your cough or sneeze.
... Stay home if you are sick.
... Don’t share food, personal items or masks.
... Follow guidelines for mask wearing.
... Don’t touch your face.
