

## 2007/08 SaskSmart Innovations Fund Expression of Interest Grant Recipients

*The following are the community partnerships receiving Expression of Interest grants. To be eligible to receive an Expression of Interest grant, a community partnership must submit an application that identifies the individuals and/or organizations that are willing to participate in community literacy planning, the community's general literacy needs, the existing assets that could be beneficial to establishing an ongoing literacy program, the human resources dedicated to developing and moving the literacy plan forward, and potential sources of funding, etc.*
