

BACKGROUNDER

Ongoing Highway Construction

Highway 1

- Newly twinned lanes are under construction at and to the west of Moosomin adjacent to the existing lanes.

Highway 2

- A temporary detour is in place west of Rockglen while bridge work is underway.

Highway 4

- Work is underway on the Battlefords Bridge. Traffic is reduced to one lane in the northbound lane.

Highway 8

- Highway 8 is under construction in the following areas:
 - From the Junction with Highway 13 to the Junction of Highway 48.
 - From 24 km north of Moosomin to 16 km south of the Qu'Appelle River.

Highway 10

- Surfacing is underway from 8 km west of Fort Qu'Appelle to 46 km east of Balgonie which may result in narrowed driving lanes.

Highway 11

- Twinning construction is underway from north of Osler to south of Hague. Be aware of blowing dust.
- Twinning construction is underway from the Junction with Highway 2 south of Prince Albert to about 11 km southwest. Be aware of blowing dust.

Highway 13

- Work is underway from 6 km west of the north Junction with Highway 36 to about 16 km east of Assiniboia. Be aware that in wet conditions, motorists may experience extended delays.

Highway 20

- Construction is underway on Highway 20 from 26 km north of the Junction with Highway 15 to the Junction with Highway 16. Please be aware of surface conditions.

Highway 21

- Construction is underway from 1 km north of Highway 55 at Pierceland to about 10 km north. Traffic may be reduced to one lane through the construction area.

Highway 26

- Surfacing is taking place from about St. Walburg north for 13 km. Traffic may be reduced to one lane through the construction area.

Highway 35

- Paving is taking place from Elfros to Wadena. Please be aware of surface conditions, along with traffic being reduced to one lane.
- A detour is in place on the access road from Ridgedale to Highway 35 while bridge work is underway.

Highway 39

- Expect delays and a detour just east of Estevan while bridge work is underway.

Highway 41

- Surfacing is taking place from 2 km east of Meskanaw to about 6 km east of Yellow Creek. Traffic may be reduced to one lane through the construction area.

Highway 48

- Construction is underway from 23 km west of the Junction with Highway 8 to Highway 9.

Highway 123

- Micro-surfacing is underway from the Junction with Highway 55 to 4 km north. Traffic will be reduced to one lane through the construction area.

Hwy 155

- Surfacing is taking place from 18 km north of the Junction with Highway 165 near Beauval to 36 km north. Traffic may be reduced to one lane through the construction area.

Highway 320

- Construction is underway from the Junction with Highway 2 near Domremy to the Junction with Highway 20. Please expect delays and use caution.

Highway 368

- Construction is underway from south of Lake Lenore going north.

Highway 911

- Construction is underway on various sections of Highway 911 from 4 km north of the Junction with Highway 106 to about 10 km south of Deschambault Lake Village. Traffic may be reduced to one lane through the construction area.

Highway 924

- Construction is underway from 8 km to about 18 km north of the Junction with Highway 55. Traffic may be reduced to one lane through the construction area.

Highway 956

- Construction is underway from about 16.6 km to 44 km west of the Junction with Highway 155 south of La Loche. Traffic may be reduced to one lane through the construction area.
