

School Capital Projects

The 2008-09 provincial budget included a commitment of \$117.6 million for Kindergarten to Grade 12 school capital and block funding projects as part of the Government of Saskatchewan's *Ready for Growth* initiative. This commitment includes \$17.6 million for block capital projects and \$100 million in one-time funding for major capital projects. In May, eight more major capital projects were approved-in-principle for 2009-2010 for an estimated government investment of \$60.3 million.

Major Capital Projects

School divisions submit project proposals for one-time funding to the Ministry of Education. The proposals are organized each year in a Major Capital Request List under four levels of priority including:

- Priority 1
 - Priority 1 A – Health, Fire and Structural Safety
 - Priority 1 B – Federal Provincial Funding and Provincial Strategic Initiatives
 - Priority 1 C – Pending Priority 1 Projects
- Priority 2 – Critical Space Shortages
- Priority 3 – Structural Repair, Systems and Building Restoration
- Priority 4 – Building Restoration and Non-critical Space Shortages

2008-09 Major Capital Projects

Community	School Division	School (priority)	Ministry Share* (est. millions)
Porcupine Plain	North East	Porcupine Plain (1A)	\$ 8.0

Turnor Lake (on-reserve)	Northern Lights	Turnor Lake	TBD by federal government
			2 projects TBD

Block Capital Projects

Thirty-six schools in 25 communities will see improvements in the areas of accessibility, roofing, building system and mechanical system upgrades, renovations and additions, including re-locatable classrooms. The improvements will be cost-shared between school divisions and the province, which is investing \$6.4 million.

Outstanding 2003 Major Capital Projects

Approval for these projects was given in 2003 with final funding was provided through the Ministry of Education in 2008.

Community	School Division	School	Ministry Share* (est. millions)
Saskatoon	Saskatoon Public Schools	Nutana	\$ 8.5
Saskatoon	Greater Saskatoon Catholic	E.D. Feehan	\$ 3.3
Saskatoon	Division scolaire francophone	ECF pavilion secondaire	\$ 1.3
			3 projects \$13.1 million

* The estimated ministry share is based on preliminary planning and construction costs. The ministry's share of the project may change as the projects proceed through planning and detailed design.
