

Criteria for Submitting Photos for the Annual Hunters' and Trappers' Guide and the Anglers' Guide

- Photos will not be returned to sender.
- Photos will become the property of the Government of Saskatchewan for use in publications or on the Ministry of Environment website.
- There is no deadline for sending in photos. Photos will be accepted on an ongoing basis for use in this year's and/or subsequent years' guides.
- The ministry cannot guarantee that it will use any photo.
- Photos should depict only hunters, anglers and trappers engaged in legal, ethical and safe activities.
- Print photos should be a minimum of 3" x 5"; jpeg files should be 300 dpi.

Angling Photos

- Anglers fishing in a boat should be wearing a lifejacket or other personal flotation device.
- Proper fish handling techniques should be utilized; holding fish under the belly with the other hand on the tail is a good horizontal hold.

Hunting Photos

- Hunters must be in appropriate hunting colours.
- Safe handling of all firearms is imperative.
