Improving local roads and bridges in Saskatchewan's urban municipalities

*Federal Gas Tax Fund allocated towards 120 projects in 2016*

The federal Gas Tax Fund (GTF) provides Canadian municipalities with a permanent, predictable and indexed source of long-term funding. The Government of Canada will be providing Saskatchewan with more than \$59.1 million for community infrastructure through the federal GTF in 2016-17.

Based on project planning in 2016, federal GTF funding supported the following local roads and bridges projects in Saskatchewan's urban municipalities:
