

Backgrounder – Charity Championship

- SaskGaming’s third-annual Charity Championship takes place on Friday, September 21, 2018 at 2 p.m. at Casino Regina.
- This year’s event features an ‘Amazing Race’ style competition that allows up to 50 teams of four to compete in scavenger hunts, puzzles and fun team challenges at locations throughout downtown Regina.
- Teams earn points for each completed challenge as they vie for a piece of the \$25,000 prize pool for a charity or non-profit of their choice.
- Event participants must be 19 years of age or older.
- A \$200 registration fee is required to participate. The fee goes directly to the team’s charity of choice and will appear as a donation on the FundRazr campaign page.
- Each participant will receive a complimentary gift and a chance to win cash prizes.
- On the day of the event, team registration and subsequent award presentations will take place at the Casino Regina Show Lounge.
- The event is expected to attract over 250 participants and volunteers.
- Prior to the competition, teams will fundraise for the charity or non-profit organization of their choice through FundRazr.com. The more funds each team raises for their charity or non-profit organization, the greater advantage they will have in the competition. All funds raised are endowed to the team’s charity or non-profit organization.
- The \$25,000 charitable prize pool will be awarded at the end of the race, as well as the cash prize pool of \$3,000.

- Charities and non-profits that support the following endeavours are not eligible to participate:
 - Political groups or events;
 - Religious groups, events or projects;
 - Individual pursuits;
 - Sports teams;
 - Out-of-province events or travel expenses;
 - Annual general meetings;
 - Publications, theatrical productions or video productions; and
 - Graduations or family reunions.
- SaskGaming encourages each team to coordinate with their charity of choice before the event.
- Once an application has been approved, a member of SaskGaming's Community Relations team will contact each team captain with instructions on how to create a personalized FundRazr campaign page. This page will be used to fundraise and spread the word about the team's charity of choice leading up to the event.
- Online donations are preferred. However, offline contributions such as cheques will be accepted. Cash will not be accepted.
- Teams have until Wednesday, September 19, 2018 at 12 noon to fundraise.
- Event registration closes when all 50 spots are full or on Friday, September 14, 2018 – whichever comes first.
